LEE UNIVERSITY NOTES

The Lee women's basketball team will be hosting the GSC-SSC South Region Conference Crossover this weekend involving Florida Southern and Saint Leo from the Sunshine State Conference and the Lady Flames and Alabama Huntsville from the Gulf South Conference.

The Crossover opens on Friday at 3 p.m. with Alabama Huntsville facing Saint Leo followed by Lee and Florida Southern at 5 p.m. Play continues Saturday when Alabama Huntsville will be pitted against Florida Southern at 1 p.m. and Lee will test Saint Leo at 3 p.m.

This marks the seventh meeting between the Lady Flames and the Mocs of Florida Southern. The Mocs, picked to finish second in the SSC, hold a 4-2 edge in the series against the Lady Flames. They are led by three of their top players from last year's squad in Julia Jenike, Mackenzie Steele, and Ashley Shell. The three have a combined total of 1,945 points in their careers with the Mocs.

The Lady Flames scored 89 points in an exhibition game against Covenant College last Saturday and had six players score in double figures. Five returning players Hannah Garrett (18), Halle Hughes (13), Haley Schubert (12), Julia Duncan (11) and Morgan Carbaugh (10) scored in double figures. Freshman Anna Muhonen joined in with 11 points. Schubert, who is a pre-season All-GSC and All-American selection, led the Lady Flames in most categories last year; 18.7 scoring,

5.5 rebounds, 110 assists and 52 steals. Garrett averaged 12.1 ppg and Duncan, who is also a pre-season All-GSC selection, 11.1 ppg.

While Tampa is picked to finish first in the Sunshine State, Saint Leo has been selected fourth by the coaches to place behind Florida Southern and Eckerd. Saint Leo is led by Amanda Ulrich, Tori Lesko, Alex Button, Kiki McIntyre, and a handful of promising newcomers.

"Our preseason allowed us to play against three completely different styles of play and that's key for us moving into the regular season. We were able to start making adjustments following the Bryan scrimmage and continued that through homecoming weekend," said Lee Coach Marty Rowe. "Getting a chance to guard different actions this early in the season is such a vital part of seeing our team grow defensively and seeing how different teams decide to defend us was great."

"We haven't played a non-GSC opponent in over 18 months, so it's exciting to have the opportunity to compete against Florida Southern and Saint Leo. They're both well coached and return key players from when we last played them. We will know exactly where we stand regionally after this weekend because both teams will be in the mix for postseason," Rowe concluded.
