As good as his career as a player was, it's not a stretch to say that his coaching career has surpassed that. He has been a huge part of creating a strong culture with our programs and has been a tremendous sounding board for me. It's going to feel strange not having him by my side next year. Bruno, you are definitely leaving this program in a better place than you found it and that's the mark of a true leader. Thank you for everything you've done for us and best of luck in the future!
- ➔ **FACULTY MENTOR - PAM WOMACK:** Pam has been a wonderful servant for our men's and women's tennis program. She has never once said no to a request from us and always tried to help our players find solutions to their personal and academic needs. And best of all, we love the snacks she brings to our matches! Thank you so much Pam, we are going to miss you, but know we will still see you at our matches down the road.
